# PROGRAM

**Business France** and **ALTIOS International** are organizing a seminar on **Tuesday, July 9, 2019 at the National Bank of Canada's Head Office** dedicated to Quebec companies wishing to establish themselves in France.

Take advantage of the presence, in Montreal, of international business experts specialized in the international expansion of companies in France. You will be able to discuss your development projects, discuss your thoughts, and find operational solutions to accelerate your company's performance in a buoyant market, in the heart of the world's leading economic block.

**8:00 AM | Welcome**

**8:30 to 9:00 AM | Introduction** - Setting up in France : Opportunities and key success factors.

**9:00 AM to 12:30 PM | Individual Meetings** - Meet the experts present for a free consultation as part of your implementation projects.

**9:00 AM to 12:30 PM | Technical Workshops** – Expansion procedures, Currency hedging, Export guarantees, International taxation, Marketing, etc.
