SME HOUR – PITCH YOUR PROJECTS AT ILA!

The SME Hour at the ILA Berlin's International Supplier Center is a new platform for small and medium-sized enterprises to promote their business. It provides SMEs in aviation a stage to present their innovative ideas and concepts. The SME Hour with six presentations at 5 mins each is your opportunity to pitch in front of buyers, partners and industry decision makers, in the heart of the ISC in ILA Hall 6!

WHAT IS THE SME HOUR?

- Short pitch presentations of small and medium-sized enterprises in aviation
- Pitch Content: Innovations, concepts, new products
- Five minutes time per pitch
- Standard presentation equipment is available
- Every SME hour features 6 presentations, with five minutes of Q&A after every pitch

DO'S & DON'TS

- No standard company presentations
- No more than five slides
- Make sure to register early as slots are limited
